D. Facts: Note officers later hid Badges/Gave us No Names But Recorded on Video. On the Date above I and friends also the News Crew (Channel 11 - PIX 11 News) Mike Gilliam - were approached by NYC Police Dept. officers and were harassed by the officers for simply having filmed a story within the New York City Transit Under-ground Subway area on the Platform. As the officers approached us they first pulled aside the News Crew (Mike Gilliam including his film assistant) expressed concerns and dismissed the News Crew, But thereafter the dismissal approached us for having simply consulted the News Crew Based upon some information we expressed about terrorism concerns. The officers during this instance Harassed us but were filmed with a smartphone secretly of which video I still hold til this day currently on my Facebook and soon will be placed on youtube. It were thereafter the harassment exerted that the officers arrested us bringing us to the transit precinct to interrogate us about what information we knew of, exerting threats, thus after our unwillingness to comply because of our fear, the officers had given us bogus trespassing charges, having us spend hours locked up at precinct at worse keeping camera/Expensive Equipment. For more on Terrorism/Concerns See Attached.

What happened to you?

Who did what?

Was anyone else involved?

Who else saw what happened?

III. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received.

I sustained very minor injuries. Just scratches and bruises to be honest, But the Jail time including Precinct time (Hours in cell without food or water) Had taken its toll. The time almost lasted a day at the precinct

IV. Exhaustion of Administrative Remedies:

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted." Administrative remedies are also known as grievance procedures.

LAW ENFORCEMENT RECKLESSNESS/PREJUDGEMENT ONLY BECAUSE THE
SITUATION INVOLVES CORRUPTED LAW ENFORCEMENT PERSONNEL.

I am looking to money for the following reasons:

(1) Funding for a Lie Detector Test Event at an accredited lie
Detector Test Place - Regarding The Devastating Incident of Events
(See Below).

(2) Acquire a Professional Lawyer to help Fight My Now Existing NYC Pending Law Case as result of a horrifying wrongful arrest having taken place upon me: An Arrest Due to Department Of Investigations Misconduct, of which such resulted in my wrongful arrest for unlawful surveillance (consensual vidèos meant for website project): NOTE my legal Aid Lawyers have only ignored me barely talking to me throughout the legal process.

(3) Expense Assistance through my current hardship: I just spent 3years in jail because NYC neglectful Legal Aid Lawyers had Refused to progress a legal process to Trial (see below): It's As I were just released from jail upon a finally acquired low bail by miracle, it's due to the issues of Reckless Arrest, Having undergone A police Beating also Many Jail Beatings, Mental Instability and Having being in Semi-Homeless state, I am in desperate need of expense help so that I may get started on this project: Housing, Food, Laptop etc.

Incident Summary:

I am a person who long ago were in a very Dangerous situation having witnessed some things regarded as a Potential Act of Terrorism Concern, thus also having collected evidence relational to such concerns with intent to report concerns to Law Enforcement Personnel.

Thereafter my secretive discrete collection of evidence moving to report, I found my self in more danger as insider corrupted cops had performed an unexpected Interrogational assault upon me in a private room over such evidence they must of have over heard I had taken from the former holders of evidence: "Revolution Muslim members".

Thereafter my attempting to report the matter including Police Beatup including my side of story to the NYC Department Of Investigations NYPD squad members of who stepped in out of the blue, I after having handing over the such evidence with urgency meanwhile they established loose means of contact with me (after I having visited numerous NYC precincts who wouldn't investigate due to claimed jurisdiction reasons), I then found myself having somehow been arrested by Department Of Investigation Squad members who were entirely reckless in dealing with the matter, as so they were quick to pass judgment through pure utter prejudgemental behaivor about the situation of I having been assaulted by DHS officers.

Please understand that I were never arrested by the officer who beat me up, only arrested by the NYPD NYC Department Of Investigations Squad team members WHO were Supposed to help me also investigate the officers who beat me up.

I then spent three years in jail fighting to proceed to Trial dealing with awful Legal Aid Society Lawyers who would not help in anyway thus I so happen to spend more time in jail waiting to

get to trial then I would have received had I actually went to trial and lost!.. It were the judges who noticed this and as a result my bail were lowered..

Currently I am out on Bail:But I am Still Waiting for Trial today. My neglectful Legal Aid Lawyers are horrible and until this very day if you asked them my side of the story, its likely they couldn't tell you as per their neglect.

Neglectful Legal Aid Lawyers: Eliza Orlins. Samuel Chizar and Pamala Jordan. Recently I had another legal aid lawyer Sadia Ahmed of who had requested my bail to be lowered and started to work with me, But now she is leaving the legal aid society. Her performance was above the rest.

MY Goal is to expose the corrupt NYC justice System and Better it somehow so that this atrocity never happen to an individual reporting a potential act of terrorism concerns again.

I NEED YOUR HELP, PLEASE BE ONE OF THE FIRST IMPORTANT FEW TO GET ME TO A LEVEL OF STABILITY SO THAT I MAY GET THROUGH THIS TIME OF DEEP HARDSHIP. I' AM NOT ASKING MUCH, JUST ENOUGH TO MAKE IT FOR NOW UNTIL I CAN FLOW THROUGH.

More Details:

It were about 3years ago, Nov 15th 2011, after I myself personally reported several items to the NYC Department Of Investigations (D.O.I) regarding a potential act of terrorism threat upon the NYC Department Of Finance Building (Plot being carried out by "Revolution Muslim" Members also having insider "Corrupted Cops" as helpful crime accomplices) that 3 NYC Department Of Investigations (D.O.I) squad members of who were assigned to investigate my numerous placed Police Department reports regarding an Interrogational beating carried out upon me by 3 D.H.S police members in a private room for NYC Department Of Finance Key Cards I Held (looking to report to special investigations):

The D.O.I through reckless prejudgemental behavior in disbelief that I were ever interrogatively beaten by police, and through their exhibit of extremely short unconcerned attention spans and laughter had arrested me for "Unlawful Surveillance PL 250.45" concerns of which could have been resolved in 5min or less: MEANWHILE knowing they did not have my entire story regarding the situation of events because of a D.O.I deferred scheduled meeting that the D.O.I were supposed to have with me at 42st 5th Ave NYC Public Library Nov 10th 2011- whereby the cause of deviation were reason of that the wanted to first address snack wanting purposes (Dunkin Donuts and Jamba Juice) before meeting were to take place: Department Of Investigations Nov 10th 2011 never came back to 42st 5th ave meanwhile I waited 5 hours plus at the

location - D.O.I were prejudgemental about Police Beat up situation labeling me a homeless bum, had taken some evidence I had given them (See Below) after I signed an investigative consent form meanwhile promising to come back to NYC Public Library for discussion but never had. D.O.I had ended up rummaging through shareware smartphone looking at various electronic stored information on the device fitting accusations to things they found WITHOUT MY SIDE OF STORY.

The items turned over to the Department Of Investigations:

(1) a website project smartphone shareware device -not personal (2) a Micro SD card - suspicious for police tamper (3) NYC Department Of Finance Pass Key Cards - Meant for classified NYC Department Of Finance door entry (4) Canadian Money - Meant for bank tracing reasons and more evidence..
